Online Placement Brochure

AI based Job Recommender System

“mUni is a platform covering 6 pillars which provide all the ingredients that are required for an academic complex whether it's an ordinary affiliated college or an university. Right from launching course designing and advertising then administer, and then comes most important skilling students and placement. Also, all 6 pillars are covered by muni and i am sure that it would be very useful platform for the universities.”

Prof. Anil D. Sahasrabudhe,
Chairman, All India Council for Technical Education (AICTE)
speaking at EduTech Congress 2018, New Delhi, India.
